

God is a Miracle!!

**Absolutist to be no need,
Nor the opposite – a conformist.
But this much I say
If I have it my way.
God is a Miracle
Those catapulted to the mountain submit
With little or no plight,
No doubt,
In Miracle believe why not.
The others mundane burdened a lot,
Distraught, they walk the streets somnambulists
Troubled with brutal survival onslaught,
Predictable as day and night
It's just not quite right
Justice would look bight
Suffering from blight
For they see no a Miracle's Might -
Miracle's Might..Might ..Might!!!!**
